Directions- TCUP Stadium, Vacaville

*"Those who build mighty monuments need mighty men to breathe life within their walls.
A race of giants would better inhabit the arena than a hackneyed dollop of wandering
revelers without leaders.*

*"The Life in Baseball moves through generations, not with two-year windows. Unto the
world I speak verily, for sophomores and juniors alone make not a real baseball team:
A real team needs real men!"*

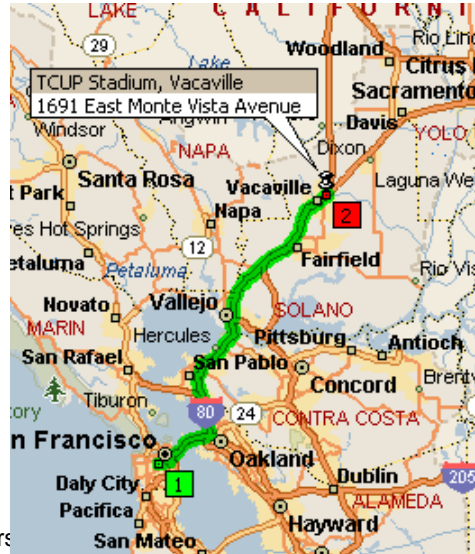

- Jerome Sanders Dickey
